1. The Gift Day last Sunday produced gifts of £3,758.40 including recoverable Gift Aid, for which we thank you and praise the Lord. Added to this many pledges have been promised, which are not included in this current total. There are still envelopes available in the foyer for pledges or gifts to be made if you missed out last week. Philippa and Sarah both wish to say a big THANK YOU for all your support and encouragement. They are so grateful to you.
2. The Missions Team plan to produce a leaflet including all those involved in mission outreach during the summer at home or abroad – camps, beach missions, aid work etc for information and prayer. Please let Ryan Muliette know if you are planning to serve the Lord in outreach this summer, and what responsibilities you carry if any - by **30th May latest!**
3. Philippa is doing another presentation of her calling and new work for friends, folk from other churches and anyone who has missed it tomorrow evening, Monday 17th May 8pm at Comer Gardens Community Centre.
4. Philippa –if you plan to contact Philippa in any way once she is abroad, please see Janet for a list of do's and don't's when writing/emailing people overseas for security reasons – hence the reason why in print she is working in "South Asia". We must ensure we do not compromise her safety and usefulness in any way.
5. REQUEST: Could you host a teenage Spanish student on a course at the Technical College 1st-15th and/or 15th-29th July? A Christian teacher in Spain has organised teaching/activities for students in Worcester, and would appreciate offers of accommodation in homes. For details ring Margaret Saunders – 01905 454496
